Filing Receipt Corrections  
*Via Facsimile 703-746-9195*

Sir:

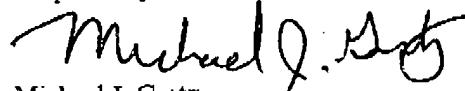

Applicant respectfully requests a corrected Filing Receipt removing the asterisk and statement "that the Data provided by applicant is not consistent with PTO records."

The priority data as stated on the PTO filing receipt is correct and this was confirmed in a conversation with your office on February 11, 2004. Apparently, a misunderstanding occurred during the filing process in regards to the dates. As noted on the application and the filing receipt, the above referenced application is a CIP of PCT/US02/13188 which was filed on 04/26/2002. The PCT claims the benefit of the U.S. Provisional Patent Application 60/286,848 which was filed on 04/26/2001.

Enclosed is a copy of the incorrect Filing Receipt with the error circled.

No fees are believed to be payable with the filing of this communication. Nevertheless, the Director is hereby authorized to charge payment of any additional fees associated with this or any other communication or credit any overpayment to Deposit Account No. 50-1170.

Respectfully submitted,
